

A diagram illustrating the relationships between three concepts: Contrastive, Similarity, and Reflexive. Each concept is represented by a colored rounded rectangle. Contrastive is a light red box on the left, Similarity is a light blue box in the center, and Reflexive is a light green box on the right. Colored arrows show the relationships: a green arrow from Contrastive to Similarity, a blue arrow from Contrastive to Reflexive, a red arrow from Similarity to Reflexive, a green arrow from Reflexive to Contrastive, a blue arrow from Reflexive to Similarity, and a red arrow from Similarity to Contrastive. Additionally, there are three long horizontal arrows at the top: a green one from Contrastive to Reflexive, a blue one from Contrastive to Similarity, and a red one from Reflexive to Similarity.

**Contrastive**

**Similarity**

**Reflexive**
